WARRANTY

CountryWide warranty backed by Tarion Warranty Corporation and includes:

- The home is free from defects in workmanship and materials for one (1) year.

TWO YEAR WARRANTY PROTECTION

- The home is free from defects in workmanship and materials for caulking, windows and doors so that the building envelope prevents water penetration.
- Defects in workmanship and materials in electrical, plumbing, heating delivery and distribution systems.
- Defects in workmanship and materials which result in detachment, displacement or deterioration of exterior cladding, leading to detachment or serious deterioration.
- Violations of the Ontario Building Code's health and safety provisions.

SEVEN YEAR WARRANTY PROTECTION (MAJOR STRUCTURAL DEFECTS):

A major structural defect is defined in Tarion's Warranty Plan Act as:

- A defect in workmanship or materials that result in the failure of a load-bearing part of the home's structure, or any defect in workmanship or materials that adversely affect your use of the building as a home. Purchaser will reimburse the Vendor for the cost of the Warranty Fee as an adjustment on closing.

All references to sizes, measurements, materials, construction styles, trade/ brand/industry names or terms may be subject to change or variation within accepted industry standards & tolerances.

Measurements may be converted from imperial to metric or vice versa & actual product size may vary slightly as a result.

All references to features and finishes are as per applicable plan, or elevation and each item may not be applicable to every home. Locations of features and finishes are as per applicable plan or at the Vendors' sole discretion.

All features and finishes where Purchaser is given the option to select the style and/or colour shall be from the Vendor's predetermined standard selections, provided such items have not been selected or ordered. Useable square footages may vary from stated floor areas.
